

Ergo 300

4-way Scroll 800dpi Mini Optical Mouse

Mini Mouse Brings You More

Featuring an advanced ergonomic design, new optical lens technology and a 4-way scroll wheel, *Ergo 300* gives you great comfort and an appealing outlook to your desktop or laptop.

Using the latest optical lens technology from Genius, *Ergo 300* can work on many special surfaces like photos, magazines, and most marble and tile surfaces. For more convenience and efficiency, the 4-way scroll function lets you navigate horizontally or vertically through documents or websites. In addition, the mini lightweight and ergonomic design is very suitable for travel and notebook users. You can carry *Ergo 300* around easily and use it just about anywhere. For environmental protection, *Ergo 300* is a lead-free design and meets the ROHS and WEEE regulations.

Ergo 300, with the above advantages, will exceed your imagination once you plug it in. Contact our sales representatives for more information.
